## TYLER PERRY

### "THE HAVES AND HAVE NOTS" (OWN)

**Words of praise:** "Mr. Perry lays the tracks and his production team follows his direction," says Ozzie Areu, president of Tyler Perry Studios. "He is collaborative and decisive with an appreciation as well as an understanding of the skills and contributions of both talent and crew. He has built an environment as well as a tremendous team that allows him the freedom to be as creative as he wants to be. He inspires us all."
